

Directions for YELLOW PLAN Guests Going to College Events Following University Commencement on Sunday, May 28, 2017

Accessibility plans provide a parking-and-seating arrangement for guests attending events at Schoellkopf Stadium, such as University Commencement on Sunday morning. For guests who have a college event to attend after Commencement, this document instructs how to get to that next event from the stadium (from Yellow Plan seating), and helps determine if bringing a wheelchair to campus is necessary.

YELLOW PLAN is wheelchair accessible – may bring wheelchair into stadium or leave in vehicle until needed

When Commencement ends at noon, you are welcome to leave your vehicle parked in Hoy Garage to walk/wheel to your next event. You may also drive* (to Areas#2-5 only), but you must follow turn-by-turn directions to drive near those locations to drop off passengers then search for a place to park. Please understand that even dropping off passengers at the sidewalk may still require a bit of walking to get to specific buildings or tents on the Engineering Quad, Arts Quad, or Ag Quad. Bringing a wheelchair may be necessary, especially for Area#1 locations.

***Area#1 event locations REQUIRE WALKING from the stadium, as you cannot drive closer than Hoy Garage. Please bring a wheelchair for your campus transportation if the walking distance will be too strenuous.**

AREA#1 CANNOT drive closer to these locations on Sunday, so WALKING is required.

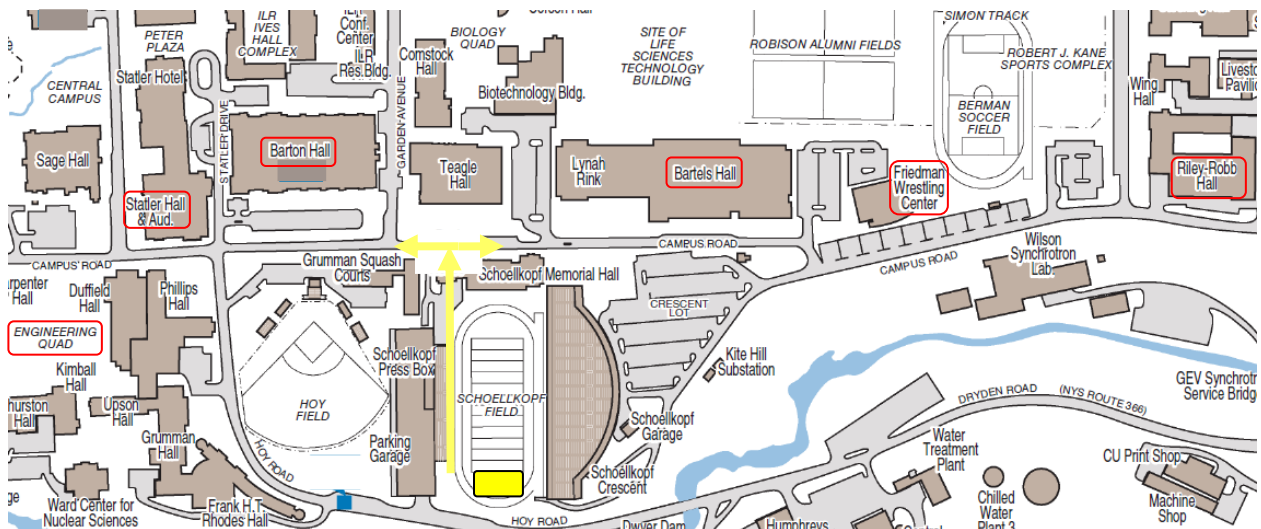

Leave your vehicle parked in Hoy Garage and WALK/WHEEL to these events.

We strongly recommend bringing a wheelchair for transportation to and from these events, as walking up/down Campus Road can be exhausting, especially in hot weather. You may retrieve a wheelchair or transport chair from your vehicle after Commencement, then wheel to your next event.

► **Walk/Wheel:** From yellow seating area, walk to opposite end of the stadium, go up short uphill exit to get to Campus Road sidewalk, then walk up/down Campus Road to get to next event (see map).

EN AG	Biological & Environmental Engineering , ceremony	WALK to Friedman Wrestling Center (uphill)
EN AG	Biological & Environmental Engineering , reception	WALK to Riley Robb (uphill)
EN	Civil and Environmental Engineering	WALK to Bartels Hall (uphill)
AS	English	WALK to Statler Hall (downhill)
HA	Hotel School (SHA college ceremony)	WALK to Barton Hall (downhill)
HE	Human Ecology (CHE college ceremony)	WALK to Bartels Hall (uphill)
EN	Materials Science & Engineering	WALK to Engineering Quad (downhill)
EN	Mechanical and Aerospace Engineering	WALK to Engineering Quad (downhill)

AREA#2 You CAN drive near these locations –OR– leave vehicle in Hoy Garage and walk/wheel to event.

► **To Drive:** For these events, turn left out of the garage, go to stop sign and continue straight on to Route 366. Turn left onto Tower Road. Drive along Tower Road to unload passengers near the event, then search for a nearby parking space or return vehicle to Hoy Garage. Drivers may drop off passengers then search for a place to park.

AG	Agriculture & Life Sciences (college reception)	Bradfield Hall, tent
AG	Agricultural Science	Kennedy Hall
AS	American Studies	Big Red Barn
AG	Animal Science	Livestock Pavilion
EN	Applied & Engineering Physics	Physical Sciences Building
AS	Asian Studies	Rockefeller Hall
AS	Astronomy	Space Sciences Building
AG	Biological Statistics and Computational Biology	Biotechnology Building
EN	Biomedical Engineering	Weill Hall
AS	Chemistry	Physical Sciences Building
AS	China & Asia-Pacific Studies	Barnes Hall
AG	Communication	Kennedy Hall
EN AS	Computer Science (undergrad)	Bailey Hall
AG	Development Sociology	Warren Hall
AG	Earth & Atmospheric Sciences – Atmospheric Science	Bradfield Hall
AG	Environmental & Sustainability Sciences	Warren Hall
AG	Food Science	Stocking Hall
AS	History	A.D. White House, tent
AS	Mathematics	Malott Hall
AS	Physics	Clark Hall
AG	Plant Sciences (SIPS)	Kennedy Hall
AS	Psychology	Uris Hall
AS	Sociology	Uris Hall
EN	Statistical Science	Biotechnology Building
AS	Statistical Science & Biometry and Statistics	Biotechnology Building
AG	Viticulture & Enology	Stocking Hall

AREA#3 You CAN drive near these locations –OR– leave vehicle in Hoy Garage and walk/wheel to event.

► **To Drive:** For these events, turn left out of the garage, turn right at stop sign onto Route 366. At next traffic light make a hard right onto Oak Ave (one-way), go to stop sign & veer right to 2nd stop sign, turn right onto College Ave to campus. Guests will need to get out at the sidewalk and the driver will need to search for a place to park or circle back through Collegetown to go back to the Hoy Garage.

EN	Earth and Atmospheric Sciences – Geological Sciences	Snee Hall
AG AS EN	Earth and Atmospheric Sciences – Science of Earth Systems	Snee Hall
LAW	Law School (college reception)	Myron Taylor Hall
AS	Performing and Media Arts	Schwartz Center for Performing Arts

AREA#4 You CAN drive near these locations –OR– leave vehicle in Hoy Garage and walk/wheel to event.

► **To Drive:** For these events, turn left out of the garage, turn right at stop sign onto Route 366. At next traffic light make a hard right onto Oak Ave (one-way), go to stop sign and veer right to 2nd stop sign then turn right onto College Ave. Turn left onto Campus Road, go down the hill, then turn right onto West Ave and then immediately right to temporary driveway up to the Willard Straight parking lot.

EN	Chemical Engineering	Olin Hall
AS	China & Asia-Pacific Studies	Barnes Hall
EN	Operations Research and Information Engineering (ORIE)	Sage Chapel (unload/park in lot behind Willard Straight)

AREA#5 You CAN drive near these locations –OR– leave vehicle in Hoy Garage and walk/wheel to event.

► **To Drive:** For these events, turn left out of the garage, turn right at stop sign onto Route 366. At next traffic light make a hard right onto Oak Ave (one-way), go to stop sign and veer right to 2nd stop sign then turn right onto College Ave. Turn left onto Campus Road, go down the hill, and veer right onto West Ave. Go to next stop sign and turn right onto University Ave to go up the hill, around the bend and enter at Johnson Art Museum or Sibley Hall parking lot. Parking is limited along Central Ave by the Johnson Art Museum or in the Sibley lot.

AS	Anthropology	Klarman Hall
AS	Archaeology	Klarman Hall
