

STUDENTS

9:00 -10:30 am Go to Barton Hall for the 10:30-11:30 am Ceremony

1 ceremony in Barton ONLY for the students.

Doors at Barton Hall will open at 9:00am so students are inside, out of dangerous weather.

The University President, Provost, Trustees, All College Deans, Sr. Leadership and ALL Students will attend the ceremony in Barton Hall and it will be the same as the outdoor ceremony.

There will not be a procession.

NO TICKETS needed as this ceremony is not attended by any guests, only students dressed in regalia.

Following the Barton Hall ceremony, students will go to their college/department event location to join their family at their very special and important individual recognition event. [College event chart link here](#)

Afternoon events will still take place at their scheduled time. However, all outdoor events will move to a pre-planned indoor location. [College event chart link here](#)

FAMILIES AND GUESTS

9:30 – 11:30 am Go directly to the College Event Locations to view the live streamed event in Barton Hall.

While students are at Barton Hall for the single, indoor university ceremony, ALL families and guests should proceed to the location of their afternoon [college/department event](#). Event locations will open early to provide live stream viewing of the Barton Hall ceremony on monitors.

No tickets needed.

Guests may also watch the live stream on personal devices from other locations on and off campus.

Following the Barton Hall ceremony, students will go to their college/department event location to join their family at their very special and important individual recognition event.

Afternoon events will still take place at their scheduled time. However, all outdoor events will move to a pre-planned indoor location. Refer to [college event chart](#) for department locations.

Families and Guests who already attended college or department ceremonies on Friday or Saturday may go to the locations below to view the Barton Hall ceremony live streamed on [Cornell's website](#), or on own devices via the website.
